

No-cost extension of preparatory
grant for the Republic of Cameroon

Adopted by email on 30 March 2018

EB.2018.05

Considering that the finalization of the national investment framework and the subsequent negotiation of a letter of intent might take longer than the current end of the program (June 30, 2018), the Executive Board agrees to a no-cost extension until 30 June 2019.
